AN EXPLORE OF COUNTRYSIDES THROUGH JOURNEY OF ART

5 November - 10 November, 2024.

at Pokhara Art Gallery, Nayabazar, in Pokhara, Nepal

It was with great pleasure that I am able to join you for this monumental event "Sound of Color" organized by the very talented team of IWS Hemkanti Art Gallery and Buddhi's Atelier. I understand that Nepal has a very rich history of art and that through this event we will be exploring that history and building upon it. With multiple countries participating, I anticipate that this will be a time of great fellowship and celebration. Nepal is a country of unique and austere beauty, well worth being celebrated and appreciated. With artists of all ages, it is a welcome and noble endeavor in seeking to honor her with our mediums of choice. This event is a great opportunity for the young to learn from the masters before them and with that carry on the great legacy for which this country has been made known. Thank you for the opportunity to participate with you in this grand celebration and to better know your beautiful country and people. Thank you for all of your hard work and diligence in organizing this event and spreading the joy of watercolors with the youth. You have done an exceptional job and I am very much looking forward to being with you. I wish you the best of success in both this and future events.

Best regards,

Atanur Dogan
Founder and President of IWS Globe Art Network
