Messages from MALAYSIA

Message from the President

"Colors of Friendship: Malaysia-Thailand Art Exhibition 2025" is more than just a display of artistic talents — it is a celebration of cultural unity, friendship, and mutual respect between two neighboring nations.

On behalf of the Sungai Petani Calligraphy and Painting Society, I am honored and proud to witness the realization of this meaningful collaboration with Prince of Songkhla University. This exhibition brings together the creative energies not only from Malaysian and Thai artists, but also the artists from Indonesia and South Korea. This reflects the deep-rooted connections shared through our artistic expressions and shared values.

Art has a powerful ability to transcend borders and language. Through every brushstroke and color choice, we communicate not only aesthetic beauty but also our hopes, emotions, and aspirations for a more connected world.

We sincerely thank all participating artists, our advisors and co-organizers for their support. May this art exhibition be a stepping stone for future cultural exchanges and lasting friendships.

Message from the Exhibition Organizing Chairperson

It is my great pleasure and privilege to serve as the organizing chairperson of "Colors of Friendship: Malaysia-Thailand Art Exhibition 2025".

This exhibition was born from a vision to foster cross-cultural dialogue through visual storytelling. By bringing together artists from both Thailand and Malaysia, we create a shared platform for connection, reflection, and understanding. It is my belief that art can act as a quiet but powerful force for unity — one that celebrates diversity while highlighting our common humanity.

Organizing this exhibition has been a journey filled with creativity, challenges, and meaningful encounters. I am deeply grateful to the Sungai Petani Calligraphy and Painting Society and Prince of Songkhla University for their invaluable collaboration. Special thanks go to Mr. Muhammad Rojana-Udomsat from Thailand, who also serves as an advisor to our society. I would also like to thank the other advisors of our society for their invaluable support and encouragement, as well as express my heartfelt appreciation to the organizing committee and all the artists whose heartfelt works bring this exhibition to life.

May these exhibited artworks inspire you, move you, and remind you of the beautiful friendships that blossom through art.
